Intermediate Machine Learning
Python

Temirlan Rsanov

B.Sc., Maths
Kazakhstan

Summary

Realized who I want to become very late, but still I am now very passionate about Data Science and have been developing my skills with much effort recently. My goal is to become a distinguished specialist in this field and live a happy life.
Love programming, statistics and problem solving.
Also, I love doing music and singing, so I play guitar, piano and similar instruments.

Experience

Sapa Software LLP
Junior Analyst
September 2021 - Present (3 months)
Нур-Султан, Казахстан

Data cleaning and transformation using Python interacting with Excel tables (jupyter notebooks, pandas, openpyxl, numpy, regular expressions, json). Parsing data using selenium, requests, beautifulsoup libraries. Analyzing the data from web database including geospacial data on technical or engineering issues.

Education

Nazarbayev University
Bachelor's degree, Mathematics · (2017 - 2021)

Nazarbayev University
Foundation program, Math/Physics · (August 2016 - May 2017)
